

Constitutional Rights Foundation's

2006-2007 CALIFORNIA MOCK TRIAL PROGRAM

Errata and Case Supplements for

People v. Campbell

October 19th, 2006

People v. Campbell

1. Page 44, replace Exhibit C with new Exhibit C found on CRF's website.
2. Page 11, line 12, after "...wires" add "battery."
3. Page 26, line 47, after "...strip" add "and to the size D battery."
4. Page 27, line 38, replace "The metal igniter strip" with "The battery, even one as small as the D size battery used in this case..."
5. Page 36, line 26 after "igniter" add " and battery..."
6. Page 36, line 42 replace "...the igniter strip was low quality " with "the device would require a significant power supply to get a charge capable of igniting it. A standard D size battery is enough to power a radio, but not a bomb."
7. Page 42, Exhibit A has been updated on CRF's website to include the payphone symbol in the student parking lot.
8. Page 29, line 30, replace "March 29th" and add "April 5th..."
9. Page 11, Line 6, delete "on the dining patio."
10. Page 13, line 1, replace stipulation one with "If the Defense's pretrial motion is granted, Count Four "Possession of video game in violation of *the School Violence in Video Games* statute, will be dismissed. Regardless of the ruling on the pretrial motion, references to the video game may be used during the trial where appropriate.
11. Remove all brackets "[]" from the facts and witness statements.
12. Page 15, line 39, after "Statute" add "(January 31, 2006)."
13. Page 41, line 21, after "...path" add " heading away from the parking lot towards the center of campus."
14. Page 20, line 34, after "...to," delete "abstract advocacy" and add "advocacy and teaching of concrete action."
