00:41:21 Belen: ok great

00:41:31 Nereyda: I think 1, 4, 3

00:41:39 Marilyn: 1,6,14

00:41:43 Constitutional Rights Foundation (CRF): Nereyda, why did you pick 1, 3 and 8?

00:41:52 Christian: the 13th is the most important imo but it isn't listed

00:42:24 DENNIS: Belen, Why did you select #3, 4, and 8?

00:42:49 DENNIS: Marilyn, Why did you select # 1, 6, and 14.

00:42:55 Belen: I picked 3, 4, 8 because you cant let people invade your space with 3,4 and 8 if youn dont do something so bad you get a bad punishment

00:42:55 patty: Nice, Christian! I like 2,4, and 8

00:43:20 Nevaeh: cool

00:43:24 Paul: 1, 4, 14

00:43:24 DENNIS: That makes sense, Belen!

00:43:30 Belen: thanks

00:43:38 DENNIS: Paul - Why did you select #1, 4, and 14?'

00:43:49 Paul: I put my answers on the website

00:45:06 Harmony: I put my answers on the website too.

00:45:19 Constitutional Rights Foundation (CRF): Only one person selected 5. Why do you think this right is less important?

00:46:05 Paul: what does incrimination mean?

00:46:15 Belen: it mean to blame yourself

00:46:33 DENNIS: Good job, Belen!

00:46:55 Marilyn: I selected 1 because it lets your opinion get out there with outer people,6 because the lawyar and the jury both have a right, 14 because its fair equal protection

00:47:09 DENNIS: Great thinking, Marilyn!

00:47:22 Nevaeh: i like the 4th amendment b/c it gives privicy

00:47:38 Constitutional Rights Foundation (CRF): Nice Belen!

00:47:42 Belen: i did not get polls

00:47:53 Artyom: it's on the top

00:47:58 Artyom: the top

00:48:27 Constitutional Rights Foundation (CRF): After you heard other responses, pick your top three rights you want to keep

00:49:04 Belen: awww i did not get to do it :9

00:49:22 Constitutional Rights Foundation (CRF): Belen, you can share here. Which ones?

00:50:18 Harmony:: same I picked 1, 8, 14

00:50:59 Paul: I picked 1, 4, 14

00:51:00 IAN: that was surprising

00:51:07 Nevaeh: the first amendment a lot of sense

00:51:12 DENNIS: Which did you select, Ian?

00:51:24 Paul: it was very hard to decide because all the amendments are important

00:51:32 DENNIS: Good point, Paul!

00:51:36 Marilyn: It was kinda hard because there all great

00:51:56 Belen: I learned that they keep us safe from bad

00:51:58 IAN: Our society would be different because we would have less laws

00:52:04 DENNIS: That's great ... thanks CRF!!!

00:52:05 Paul: and our society would be way different because then we would miss out on so much other stuff we could do

00:52:17 Nevaeh: giving up the right to bear arms would probably mean peace with in the nation

00:52:30 Violette: It was kinda hard because not all of the amendments were there

00:52:38 Nereyda: Yes, it was difficult because all of the amendments are important to all of us.

00:52:53 IAN: it wasn't difficult to make a decision because i chose the most important ones

00:52:56 patty: we were forced to make a decision about our life if it was not how we know it today - interesting that I chose protection over liberty

00:53:08 DENNIS: Good point ... Nereyda and Violet... Are there any other amendments that you think should be in the top three?

00:53:08 Nevaeh: but it was still hard b/c we have the rights for a reseans

00:53:23 Constitutional Rights Foundation (CRF): Izzy, I agree voting is so important!

00:53:24 Harmony:: I was not difficult to make my decision because I think the amendments I picked were the most important.

00:53:30 Lane: Strong point Mrs. Briggs!

00:53:41 Adrian: It was difficult to make a decision because they were all good laws but there were a few good ones that stood out.

00:53:48 Ludwika: there were so many decisions to choose from and that all of them makes our world it is today

00:54:09 patty: What are your top 3? Lane, christian, Lacie and ana?

00:54:25 Lane Miller: 1, 2, 8

00:55:03 Christian: 13, 2, 5

00:55:37 Marilyn: it was hard between the 6th and the 4th
00:55:49 Nevaeh: giving up the right to bear arms was easiest b/c that would mean
safer environment
00:56:04 IAN: today, I learned that all of the amendments are important
00:56:05 Belen: I agree with Nevaeh
00:56:11 Marilyn: same
00:56:15 Nevaeh: thank u
00:56:24 Marilyn: welcome

00:56:50 Belen: your welcome
00:57:22 Nevaeh: i feel as the environment evolves would get easier to withstand
00:57:32 Owner: it was also hard for me to choose between the 4th and 8th
amendment
00:57:46 Belen: i agree with Ian
00:58:13 Constitutional Rights Foundation (CRF): Thanks Ian. They are all important.
I agree it would be difficult to give up ANY rights.
