

INVEST IN THE FUTURE.

*100% of our students go on to college.
Be part of shaping their futures.*

EXPANDING HORIZONS INSTITUTE

An incredible sponsorship opportunity for you to partner with Expanding Horizons Institute (EHI) to prepare underserved high school students for college, career, and civic life.

Who we are:

EHI provides highly qualified, low-income, first-generation college-bound students a pathway to success in college, career and civic life. EHI is a program of the Constitutional Rights Foundation, a national 501(c)(3) non-profit founded in 1962.

What the program offers:

- Expose students to professional career paths.
- Provide guidance and support with the college application process and SAT from experts.
- Inspire students to discover and explore civic engagement.
- Cultivate networking skills from successful professionals.

How does it work?

- Each sponsorship provides two first-generation, college-bound youth with 15+ hours of guidance on professionalism, college preparation and civic engagement.
- You provide a \$2,800 EHI sponsorship to participate in the program.

"I feel like I have advanced a step further professionally, compared to any average teenager . . . I am very grateful to have been a participant in this organization and to have grown personally, academically, socially, and professionally."

- Sandra Abundio, 2019 EHI Intern
